The love of a parent does not end with death.  
Suns rise and moons fall, but love is forever over all.”

-Joanne Cacciatore

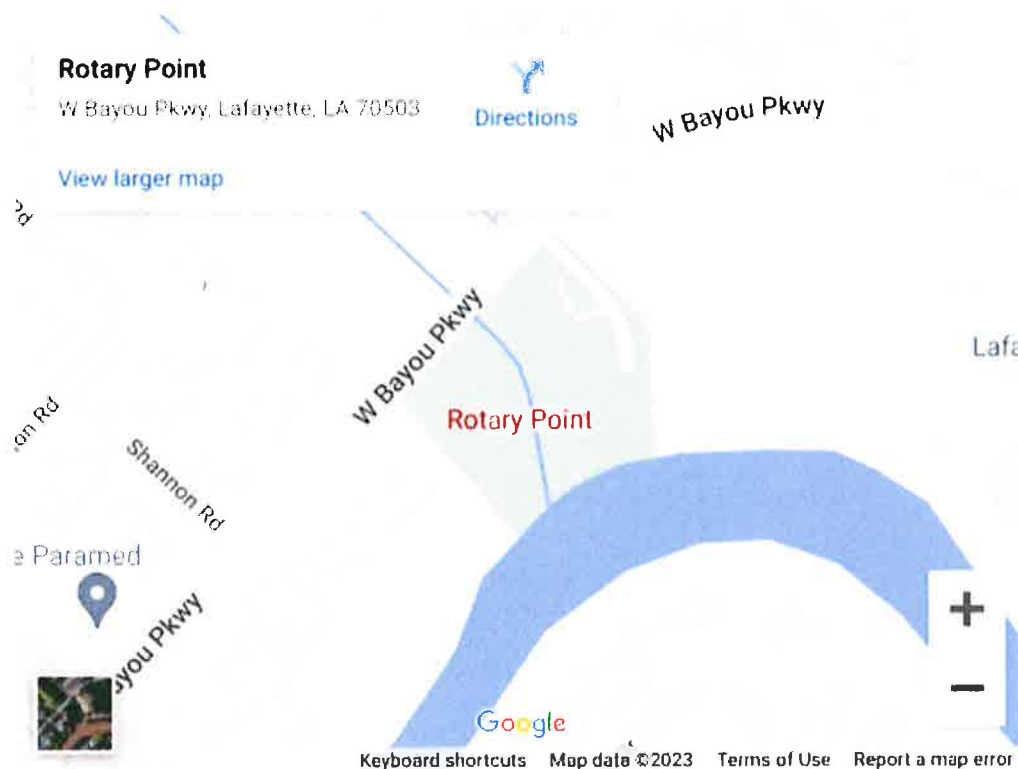

*The Guardian Angel Memorial Site is located at  
Rotary Point, 292 West Bayou Parkway in Lafayette, LA.*

When a family loses a child, it is also a loss for the entire community. There is a special place that acknowledges our lost children and offers a site for reflection and consolation.

*The Guardian Angel Memorial Site* and its dedication has been made possible by Chastant Bros., Inc., Rotary Clubs of Lafayette, Bayou Vermillion District, Region 4 Fetal & Infant Mortality Coalition, and The Family Tree Information, Education & Counseling Center.
